---

Assembly Convened June 19, 2015

---

*Compiled Under the Direction of*  
E. DOTSON WILSON  
*Chief Clerk*

JACQUELYN DELIGHT  
*History Clerk*

KATHLEEN LEWIS  
*Assistant History Clerk*

**2015–16**  
**FIRST EXTRAORDINARY SESSION**  
**Proclamation**  
**by Governor Edmund G. Brown Jr.**  
***Convened June 19, 2015***

---

**WHEREAS** maintaining infrastructure is a critical function of state government and vital to California’s continued economic growth; and

**WHEREAS** California faces considerable challenges in its ability to fund crucial maintenance and repair of its core transportation infrastructure—state highways, local streets, roads, and bridges—and current resources do not adequately support the maintenance of this vast system; and

**WHEREAS** the current fuel excise tax revenues are only sufficient to fund \$2.3 billion in annual highway repairs, leaving \$5.7 billion in unfunded repairs each year based on the latest estimate of the state’s deferred maintenance; and

**WHEREAS** these extraordinary circumstances require the Legislature of the State of California to be convened in a special session.

**NOW, THEREFORE, I, EDMUND G. BROWN JR.,** Governor of the State of California, in accordance with Section 3(b) of Article IV of the Constitution of the State of California, hereby convene the Legislature of the State of California to assemble in extraordinary session in Sacramento, California, on the 19th day of June, 2015, at a time to be determined, for the following purposes:

To consider and act upon legislation necessary to enact pay-as-you-go, permanent and sustainable funding to:

- a. Adequately and responsibly maintain and repair the state’s transportation and other critical infrastructure; and
- b. Improve the state’s key trade corridors; and
- c. Complement local efforts for repair and improvements of local transportation infrastructure.

To consider and act upon legislation necessary to:

- a. Establish clear performance objectives measured by the percentage of pavement, bridges, and culverts in good condition; and
- b. Incorporate project development efficiencies to expedite project delivery or reduce project costs.
